

## PARENT/SKATER PARTICIPATION PROGRAM

Parent volunteers are a vital part of the BRBFSC program. There are many opportunities to get involved. Working at events and fundraisers, which are a major source of club income, is a great way to get started. Chairing or co-chairing a committee, helping to organize a fundraiser or becoming an ice/music monitor are just a few ways to participate.

All families are expected to take part in this program. The total hours required is the **minimum** per family. We encourage all families to participate at a higher level. Participation will be tracked using a system, which was developed and approved by the BRBFSC Board of Directors. It is simply a tool to ensure that all families participate, and is designed to make it easy to earn the required hours. **All families are responsible** for signing in at each event/fundraiser in order to get credit for their time.

There are a few events/fundraisers each family is required to work during the year, whether or not they have a skater participating. Our annual competition, **The Berkley Royal Skate Fest, is a mandatory event for all families.**

Any events/fundraisers not worked to meet the minimum requirements are billed at \$25 per event/fundraiser. All unearned time will be billed at \$3.00 per hour. **Hours earned over your requirement will not carry over to the following season.** Billing will take place at the end of June each year and payment must be received before registration in August before the new season begins.

**THE PARTICIPATION PROGRAM RUNS FROM AUG. 1<sup>ST</sup> – JUNE 15<sup>TH</sup> EACH YEAR**
